Welcome to Waveseer!

Hello, everyone! I'm happy to report that marketing of our legislative tracking software, Lobbster?, is in full swing and going very well! We're hosting some demonstrations in our office during the first two weeks of September... call today to reserve your spot!

If you prefer a demonstration at your location, we'll be happy to accommodate. Your place or ours, this will be thirty minutes of your time you'll be glad you spent. Our system is a fantastic tool you'll wonder how you lived without!

Best regards,
Senior VP and CIO
